Directions

By car from the East (Portsmouth)

From M27 (Junction 8), turn left along the dual carriageway. At the roundabout go straight over towards Bursledon (A3035), with Tesco on your left. Turn right onto A3025 after 1/2 mile and continue along this road for 2 miles to the Itchen Toll Bridge at Woolston. Continue over the Central Bridge and turn left at the traffic lights onto the A33 (Kingsway). Turn right at the traffic lights into Bernard St, and then second left into Orchard Place at its junction with Oxford Street. This is one way; our office is at the end on the right, and there is car-parking on site.

By car from the North (London and M3)

From M3 (Junction 14) follow signs for 'A33 Southampton' (not Southampton Docks). Go over the first roundabout to continue along the A33 passing The Common on the right. At the one way system, follow signs for the waterfront and continue for one mile past the college into the Terminus Terrace one way system. Turn right at the traffic lights into Bernard St, and then second left into Orchard Place at its junction with Oxford Street. This is one way; our office is at the end on the right, and there is car-parking on site.

By car from the West (Bournemouth)

From M27 (Junction 3) take M271 south. At the end of the motorway, turn left at the roundabout onto the A35 dual carriageway. Continue for 2 miles, then filter right towards WestQuay and the waterfront. Go past the hotels and Leisure World to a roundabout with the De Vere Hotel on your left. Continue over the roundabout onto Town Quay (signposted IOW ferries), past the pedestrian crossing and turn left at the traffic lights up High St. Then turn right at the next traffic lights into Briton St, and first left up Queen's Way. Turn right at the traffic lights, and then second right into Orchard Place. This is one way; our office is at the end on the right, and there is car-parking on site.

By train

Southampton Central Station is regularly served by trains from London Waterloo and it is a short taxi ride to our office.
